The SLT Youth Auxiliary and Theatre Classes

The Theatre School is a learning stage for the young actor. SLT has created a unique classroom for young people to develop skills in the dramatic arts. The "learn by doing" classes are fun and allow opportunities for students to create and to grow in self confidence.

SLT students are encouraged to participate in all productions.

Other SLT youth productions for the 1997-98 season are:

The Best Christmas Pageant Ever- December 1997

The Adventures of Harlequin- March 1998

Space is limited in the classes. To reserve your space please pick up an application in the Gallery and attach a registration fee of \$35. Annual tuition is \$315, payable in nine monthly installments, three payments of \$105 each, or one annual payment of \$290. Discounts are available for families with more than one student in the program.

A Note about our Adult Season

We are currently celebrating our 10th Adult Season, for more information about the productions and season memberships please pick up a brochure in the Gallery.
